
PUBLIC ANNOUNCEMENT

The Pickaway County Sanitary Engineer's Office, Circleville, Ohio intends to contract for professional design services in connection with the feasibility analysis, preliminary design, final design and bidding, construction administration, inspection, project funding assistance of the **Derby Area Sanitary Sewer** project. Said Project involves constructing a new gravity sanitary sewer system, servicing approximately 120 residential users, including a 1.8 mile 6" force main. Engineering firms interested in being considered for a contract to provide the required services should reply with a statement of qualifications in triplicate no later than 4:00 PM, April 10, 2009. Statements received after this deadline will not be considered.

Statements of qualifications should include information regarding the firm's technical approach to the project; experience of the firm on similar projects; experience of key project personnel; references; and any previous experience with project funding. Statements of qualifications shall be limited to ten pages.

Statements of qualifications should be transmitted to:

Pickaway County Sanitary Engineer
207 S Court St
County Courthouse
Circleville, OH 43113-1648

Attn: Sterlin C. Mullins, P.E., P.S.

Statements of qualifications should be marked "Statement of Qualifications for Professional Design Services for Derby Sewers" on the outside of the envelope.

As required by Ohio Revised Code §153.65-71, responding firms will be evaluated and based on their qualifications. Following this evaluation, Pickaway County will enter into contract negotiations with the most highly qualified firm.
