Exemption Extension:**

The Ohio General Assembly has enacted a new, expanded Homestead Exemption that will provide additional property tax relief to qualified senior citizens (age 65 years) and permanently and totally disabled homeowners.

Previously, most senior citizens and disabled homeowners were excluded from the Homestead Exemption because of income tests. The new exemption offers eligible homeowners, regardless of income, the opportunity to shield \$25,000 of the market value of their home from property taxation.

Seniors and disabled homeowners who were not previously eligible must apply with the County Auditor by October 1, 2007, in order to take advantage of the Homestead Exemption, which will save the typical homeowner \$300 to \$400 per year.

Mr. Frazier wanted to inform the Commissioners that the zoning board has set a hearing date in the evening of Monday, July 9, to review the development plan, and the Pickaway County Regional Planning Commission, by law, is obligated to comment. Mr. Dean stated that the new system will be more refined and will provide added capabilities not available with the current system.

Mr. Dean distributed copies of a software and service enhancement agreement he obtained in the amount of **\$90,574.47** from **MAXIMUS, Justice Solutions Division, 5399 Lauby Rd., Suite 200, North Canton, Ohio 44720**, which was previously reviewed by the county prosecutor and minor changes will be made to the document. Mr. Dean stated funds will be transferred from the "Certificate of Title Fund," for the purchase and plans are duplicate the information into to the Title Department's system and backup the data on a regular basis. The timeline is for employee training sessions to take place in August, with the software's implementation expected in the month of September.

At the conclusion of the discussion, Mr. Wippel offered the motion, seconded by Mrs. Metzler for the Board to approve and sign the final software agreement following the county prosecutor's preparation of an *Indemnification Agreement* for Mr. Dean's signature stating that the purchase will be made by the Clerk of Courts Department from funds available through the "Certificate of Title Fund."
