

As of April 1, 2006 Our New Dental Provider is Aetna Dental

Just like CompBenefits, Aetna Dental offers Pickaway County employees a PPO Style Plan. If you chose dental coverage for the first time or made no changes to your dental coverage during February's Open Enrollment, you (and your dependants) will roll into the new Aetna Dental Plan nearly identical to the PPO Plan you had with CompBenefits.

Your HR/Payroll Officer will soon have information on the PPO Plan, if you need more information.

If you need to see if your provider is in Aetna's network, you can log onto <https://www.aetna.com> and search with Aetna's DocFind feature. You can also call the toll-free Member Services at 1-877-238-6200; or you can call your provider and ask if they are contracted with Aetna. Remember you always get the greatest benefit when you go to an in-network provider.

DocFind is an online search tool with up-to-date listings from Aetna. When you log onto <https://www.aetna.com> on the right hand side of the home page there is a light blue box where you can **click on Find a Doctor, Dentist**. The next screen will prompt you to **click on Go to DocFind**. You will be given the option to search for providers, by location, name, or specialty. Follow the screens, and when you get to step 3 you will have to elect which plan you participate in. As shown below.

Step 3 - Select a Plan

? Plan Definitions

Note: The plan names listed here are generic. Your employer may have custom names for these plans. If you don't see your plan listed, contact your employer to obtain the generic plan names.
